DYLAN RYDER

Three Fires Are Burning

Tommy has the fireplace blazing, the wine opened and breathing, and Dylan right where he wants her—spread out on the floor of his cabin like a big game hunter's prize. Soft kisses grow passionate and then blowjobby, as Dylan gobbles Tommy's rod and nibbles his hairy balls.

FUCK REVIEWS

What's Next 2

NEW SENSATIONS

★ ★ ★ ★

Starring: *Cadence Lux, Carter Cruise, Rachael Madori, Abella Danger, Marley Brinx, Aubrey Gold, and Melissa Moore.*

Co-directors Paul Woodcrest and Eddie Powell focus their formidable talents on a ripe batch of up-and-comers in *What's Next 2*. This series caters to a broad demographic of porn fans—bondage lovers, couples, and solo porno watchers. Although the bondage portrayed in the film will definitely be considered mild to those who consider themselves experts in kink, it still adds a nice contrast to the sex, and it's certainly a plus for fans looking to peak their bdsm interest rather than fulfill an extreme fantasy. Most of the performances are strong across the board, with Woodcrest and Powell riding the fringe between glam and gonzo. This is a solid film with a strong cast. What's next? Hopefully more hot offerings like this one from Woodcrest and Powell.

Dana DeArmond Loves Girls

SWEETHEART VIDEO

Starring: Dana DeArmond, Chanel Preston, Dahlia Sky, Veruca James, and Abella Danger.

Not only does Dana DeArmond love girls, she's got great taste in women. Chanel Preston, Dahlia Sky, Veruca James, and Abella Danger join Dana on a journey of lesbian discovery and soaking wet girl-on-girl orgasms. Lesbian porn can be boring, but the secret to success for *Dana DeArmond Loves Girls* lies behind the camera. Director Dana Vespoli is a true pervert, and knows how to capture the essence of hot lezzy fucking on camera. DeArmond does Dahlia Sky with a strap-on, seduces Abella Danger by the pool, and unleashes an ass and pussy licking frenzy on Chanel Preston and Veruca James. Good times with good girls—the “two Danas” behind *Dana DeArmond Loves Girls* do lesbian sex right.

4-STAR FUCK REVIEWS
(continued)

INTER- RACIAL ANGELS

BLACKED.COM

***Starring: Misha Brooks,
Keisha Grey, Skylar Green,
Katerina Kay, and
Dakota James.***

Greg Lansky is at it again, producing another interracial porn flick that's definitely easy on the eyes and engorging to the cock. In the opening scene, tender blonde Dakota James does her first interracial, and big, black brothers Jason Brown and Isiah Maxwell break her in good. Easy, bros! It's her first time! Skylar Green and Katerina Kay deliver colorful black-on-white performances, and the final scene is a hot threesome with Misha Brooks and Keisha Grey. Misha and Keisha groove out lez style before summoning Prince Yahshua, who provides the monster black cock they crave. Blacked.com continues to set the bar high when it comes to producing high quality, must-watch interracial porn. *Interracial Angels* is heavenly!

SISTERS OF ANARCHY

DIGITAL
PLAYGROUND

Starring: Bonnie Rotten, Kimberly Kane, Nadia Styles, Alektra Blue, Dana DeArmond, Misty Stone, Ava Addams, and Dahilia Sky.

We love biker babes! They ride around on giant, gas-powered vibrators, so you know they're horny as hell! Tattooed hellion Bonnie Rotten was born to play a biker babe, and Digital Playground's *Sisters of Anarchy* series shows she can handle both acting and directing in a porn mini-series as well as anyone working today. The plot elements are what you'd expect in a high-end adult feature, and the sex scenes in *Sisters of Anarchy* are as hard as anything we've seen coming out of Digital Playground lately. Kudos to Rotten, who directs this beautiful filth. *Sisters of Anarchy* has plenty of entertainment and enjoyment—a fun biker flick with just enough drama to earn it feature flick status, and scorching hardcore sex that will keep even the most jaded raincoaters interested from beginning to end.

STUDENT BODIES 3

SWEET SINNER

Starring: Dakota Skye, Keisha Grey, Ariana Grand, and Alaina Kristar.

Legendary director James Avalon has lensed another fine fuck film with *Student Bodies 3*. Avalon has been directing adult films longer than any of the women in *Student Bodies 3*—and likely their parents—have been alive. He knows the secret to great porn is fresh talent, and he's got a nice crop of cuties assembled for *Student Bodies 3*. Has there ever been a set of tits more succulent or mouth-watering than Keisha Grey's swaying hangers? Dakota Skye embodies the naughty schoolgirl role, accepting her sexual discipline from Steven St. Croix with a smile. Ariana Grand gets plowed right out in the open, bent over the net on the campus tennis court, while waif-like Alaina Kristar is violated by Mr. Pete in a classroom. Damn, we wish we hadn't dropped out of school!

ATTENTION WHORES

VIVID

Starring: Katie St. Ives, Elaina Raye, Kendall Karson, Victoria Love, and Anikka Albrite.

Five nasty nymphs! Five nasty fucks! Five big facials! It all sounds good on the cover of Vivid's *Attention Whores*, and for the most part director B. Skow's film delivers the goods. Kendall Karson and Katie St. Ives continue the tradition of beauty that is a hallmark of Vivid. Elaina Raye, Anikka Albrite, and Victoria Love are equally hot and horny. There are no slouches here—just Grade-A beauty queens sucking and fucking. Yet, despite the winning combination of good looks and great sex, something falls short. Are we just jaded fucks who need sloppy gonzo shit to get off? Don't answer that. *Attention Whores* is packed with hot girls and hot sex, and that should be enough for most.

BREE AND MALENA

LESBO LOVEMATES

Bree and Malena live together, but they're more than mere roommates. Not only do they share utility bills and a calling plan, they share sex toys and lovers, too. "I say we're 'lovemates' because everything she sticks in her pussy, I usually do, too!" Bree jokes. "It's complicated having our personal and professional lives intertwined so deeply, but it also gives us the freedom to explore our sexuality in the most intimate way possible." You girls have got it all figured out! And we've got our hands down our pants! Again!

for your cock!”*

ON THE SET

TUSHY.COM PRESENTS MISS TUSHY

ALL PHOTOS COURTESY OF TUSHY.COM

Greg Lansky's *Miss Tushy* is a series of four scenes starring some very physically appealing ladies having anal sex. Of course, we all want to watch sultry Kendra Lust doing her first anal, and Kendra steals the show as she experiences anal orgasm for the first time with AVN Male Performer of the Year Mick Blue. Carter Cruise gives up her award-winning body to Manuel Ferrara. With Marley Brinx and the ever-amazing AVN/XBiz Starlet Of the Year Abella Danger rounding out the cast, this movie is about quality, featuring high-end production values in prestigious settings with exceptional attention to detail.

KENDRA LUST

Kendra has been seeing a psychiatrist for some time now. Little does he know Kendra has been fantasizing about him, dancing slowly and erotically while he watches. She slowly peels off her sexy underwear until he can't resist her beautiful body any longer. She opens up to him, telling him every detail of her intimate fantasy. He knows exactly what he has to do to help her work through this. He kisses her roughly, feeling up every inch of her body. When he runs his tongue around her ass, she gives in totally to him, rubbing her pussy as he works her butt-hole. When he gets his finger in her ass, she can't stop cumming. Once they are naked, she sucks his cock with pure gusto, before he slams hard and fast into her sweet pussyhole. Then he moves on to her ass, pounding her until she cums again! After he has taken her from behind and she has ridden his dick with her eager asshole, he blows his load over her sexy face, leaving her hungry for her next session!

CARTER CRUISE

Carter doesn't want to learn to play the piano ... she much more interested in playing the organ, especially the reproductive kind. But her parents are paying for music lessons and she has to keep them happy. She gets it wrong time and time again, and for that she is going to pay—with her tight ass. She gets spanked by her piano teacher for her bad behavior, and when he inserts his finger into her pink butthole, there is only one way this is going to end. After teacher makes Carter gag on his big dick, he slams her pussy, making her cum so hard she nearly cries. Having such a big cock in her ass leaves her gasping in ecstasy, and eagerly anticipating her next piano lesson!

MARLEY BRINX

Marley is looking good and ready to kill it at today's lingerie photo shoot. But the competition is stiffer than she thought ... and so is the photographer. There's only one thing that will guarantee her this gig. This photographer can really open doors for her, so it is a small price to pay when he asks if he can pry open her back-door and bounce around inside her anus. He gently fingers her ass and pushes his tongue inside, making her moan for more. Marley's pussy looks mighty tasty, but the pervy photographer is only focused on ass eating. The only thing he wants is access to her beautiful butthole. Marley grants his wish, letting him pump her bung until she squeals! Marley's a covergirl, for sure!

ABELLA DANGER

Abella Danger is sick and tired of her boyfriend's poker addiction. This isn't the first time she's had to fuck creepy dudes in order to pay off his debts. But this time is different. This time payment will be extracted directly from her sphincter account! Abella is surprised by how much she likes being told what to do and getting her round butt spanked. She takes her man's entire length in her throat, before he informs her about the anal payment plan. Abella has never tried anal before, but her boyfriend's debt is so big, she has no other option. As he bangs into her virgin butthole, Abella realizes just what she's been missing out on. Anal sex is fun ... and good for you!

BONNIE

don't do many photo shoots for magazines. I find that it's difficult to capture my true sexual spirit. For those of you who have seen my videos, then you know what I mean. My sexual appetite is historic and I just love to fuck. You name them, I've probably or possibly will fuck them, man or women, one at a time, or many at a time.

A man and a woman are shown in a close, intimate pose outdoors. The man, on the left, is wearing a white polo shirt and has a tattoo on his left arm. He is looking down at the woman with a gentle expression. The woman, on the right, has long dark hair and is wearing a black and white striped bikini top. She is looking up at the man with her mouth slightly open. The background is a blurred outdoor scene with greenery and a body of water.

REBECCA LINARES

FEELS LIKE THE FIRST TIME

Photography by Tammy Sands

Remember the first time you slid your blood-engorged boner into a wet, velvety-smooth pussy? Mr. Pete sure doesn't. That shit was a long time ago, and he was pretty drunk.

But he knows he's never felt a pussy quite like Rebecca Linares' before, the way it softly grips his dick and magically milks him to a screaming climax. Rebecca's twat gets better and better— tighter, wetter, wilder—the longer they fuck. How much longer can it go on! The pressure is building, Mr. Pete, and Rebecca can't wait to devour every drop of your creamy seed. Fire away!

GEORGIA JONES

GEORGIA ON OUR
FILTHY MINDS

Georgia Jones began her modeling career when she was nineteen, so she was no stranger to the world of glamour and fashion photography when she ventured into the adult **entertainment biz**. Most of Georgia's work consists of swimsuit and lingerie layouts, but she'll still occasionally take it all off and masturbate in front of the camera. Sometimes she even eats pussy! "I don't do a lot of girl-girl shoots, but when I do, I get into it," Georgia says. "I like authenticity. I really eat pussy!" We don't eat as much pussy as we'd like, Georgia, but our doctor recommends we increase our vaginal intake.

“LICK MY HOT POCKET!”

Avy Scott and Amy Ried are truly the “best of the breast.” These two girls have the best tits in the business, and possibly the best bodies in porn, too. Drool-worthy and dirty, Avy and Amy are bisexual—meaning they date dudes, but get off with girls. “Nobody pleases a woman like another woman,” Amy explains, her fingers fiddling with Avy’s slippery clit. “It’s true! Nothing feels better than Amy licking my ass and fingering my pussy. I cum really, *really* hard, so that my legs are weak and I almost pass out!” Wow! We didn’t know girls could do that!

VICKI CHASE FUCK FACTS

Birthday: February 5
Hometown: Los Angeles, CA
Height: 5'4
Weight: 120 lbs.
Measurements: 32c-26-36

Movies: *Butthole Barrio Bitches* (Evil Angel) *Anal POV Style* (Hard X), *Latinas On Fire* (Jules Jordan), *Aftermath* (Wicked), *Internal Combustion 17* (Zero Tolerance)

ALL PHOTOS COURTESY OF 3rd DEGREE, EVIL ANGEL, JULES JORDAN, MILE HIGH, ZERO TOLERANCE

PORN VALLEY, CA— Vicki Chase is the leader of the small but hard-charging pack of Latinas creating strokable smut for the masses. Already a superstar in adult, Vicki is a double threat; she's conquered the world of feature dancing as well as XXX video. Keep up the good work, Vicki, and we'll continue to spank it to your muy caliente performances!

CLUB: Would you say entering the adult industry was the best decision you've ever made?

VICKI CHASE: It was a good move for me because I'm still able to do my thing behind the camera without feeling bad about myself for what I do in front of the camera. If anything, I feel so grateful because I'm able to travel across the country and other parts of the world. I am the object of desire for many men and that is an honor and a pleasure. I get off on it. I'm not going to deny it. I am happy, and I take good care of myself. It's part of the job so I benefit from that.

CLUB: What's the best and worst thing about being a porn star?

VC: The worst part about being a porn star is people think we don't have morals and that's wrong. It's a misconception and it's sad. Because the best part about being a porn star is that we have souls, we are happy people. We care about ourselves and our pets and our families. Speaking for myself, I'm putting good vibes out there. I'm a positive person. I'm a healthy person and I'm a happy person doing what I enjoy. I don't think I should be judged so harshly over what I do for a living. I'm not hurting

anybody. I'm being very responsible and living the life I was meant to live. The best thing about being a porn star is being able to give and receive pleasure. Not only for me but for the world. It's the camera that captures it all and then releases it to the world. Then you get to go to conventions or on stage to receive an award. It's an amazing feeling.

CLUB: What is your best and worst physical feature and why?

VC: Oh my god. *[Laughs]* My best physical feature... I think I have really nice legs, a really nice butt. I've been told it's nice. I work very hard at maintaining them. My worst feature...I really wish I could have six-pack abs and a hard body like Kendra Lust. *[Laughs]* I like food and I don't like to deprive myself too much, so my midsection can get a little soft.

CLUB: Are you a very dominant or submissive person?

VC: I'd say I'm more submissive. I feel more comfortable being submissive. I get off on being subdued and taken care of. But I'll turn it on if I have to. I just don't feel 100% myself. I'm just that way by nature.

CLUB: Do you masturbate often? Who or what do you think about when you masturbate?

VC: I masturbate more often when I'm doing webcam. When I'm doing webcam I think about hard cocks stroking it to me. That hard dick and having them listen to my instructions. Of course, I have a Hitachi wand so I always get off, and at the

end of the webcamming session I end up having a crazy amount of orgasms. If I'm at work, I'm going to get off. [Laughs]

CLUB: What sexual fantasies have come true for you since you started working in porn?

VC: Having sex on the beach. I've done that in my personal life, but if you do, you've got to be very careful and very rushed. In porn I've been able to actually be in a beautiful location completely nude, having sex with a wonderful performer by the name of Cindy Starfall. That was a fantasy of mine that came true.

CLUB: Describe the hottest scene you've ever been involved in.

VC: One that comes to mind is a Jules Jordan scene I did with Mandingo. It was my first time with him. It was hot and it was painful. [Laughs] I knew he had a big dick, but I didn't know how big it was. Jules did amazing work. He captured everything that we were putting out. I remember I didn't want to do anal. I had concerns, so Jules said, "OK, we'll do vag." After five minutes of that I said, "This is too much!" [Laughs] So we had to switch to anal and it was so much better. There was another scene I did for Jules Jordan—*Latinas On Fire*—and I believe I worked with Mick Blue in that one. I remember being taken aback by how hot it was and it's funny because I think he wasn't feeling all that well either, but he just put it on. I was like, "Whoa! This is hot." I just shot a DP with Toni Ribas and Ramon Nomar. That's another one that goes down in history as one of my hottest scenes. I love the Spaniards. I really do.

CLUB: What girl in the business would you most like to have sex with?

VC: Keisha Grey. I think she is so pretty. I would like to get my hands on her. I would definitely like to work with Carter Cruise. I think she is definitely one of the girls that deserves every honor that she's been getting. I'd love to sink my teeth into her as well. Asa Akira would be amazing. I missed my chance with her because there was an orgy scene I did for Wicked not too long ago, and everybody was hogging her up. I should've been more of a bull aiming for her. I think a scene with her would be amazing.

CLUB: Do you like being naked?

VC: I enjoy being naked. I wish I didn't have windows looking into other windows. I feel like a fish in a bowl. I'm all shy and introverted at home, but on set and on camera I'm just like, "Here I am!" It's so weird, but I do enjoy being naked. I wish I could be naked more often.

CLUB: What's one sex toy you can't live without?

VC: The Hitachi. It's the same answer I'm sure you hear from a lot of us, but it does the job. I'd recommend it for every woman on earth!
[Laughs]

CLUB: Which of your movies are you most proud of?

VC: *V For Vicki*. I'm so proud of that. And my Digital Playground films, because I was professional enough to show up on time, learn my lines, and be a part of these great productions that Robbie D put out. I like all of my blowjob scenes.
[Laughs] I just did *Sperm Diet* and people kept raving

about it. So finally I watched it and I said, "You know what, I'm proud of that." I really put forth a lot of effort and I enjoyed myself.

CLUB: What's one superpower you wish you could have?

VC: That power would be to bring pleasure to the world. [Laughs]

CLUB: Anything you'd like to say in closing to the CLUB readers?

VC: Keep staying horny and enjoy some Vicki Chase!
